\$25 / half day

\$90 / half day - full week (am or pm options)

\$15/ drop-in class

Prices do not include GST

Description of Classes

Ballet - A great class for fundamental technique! We use the RAD syllabus to focus on turnout, posture, and grace.

Ballet/ Jazz - This is an ideal class for the young beginner. We teach basic technique in both ballet and jazz, while incorporating lots of fun props and music to keep your dancer interested.

Conditioning - Dancers will learn to improve flexibility, muscle tone, and stamina with dance specific stretches and exercises.

Contemporary - This class explores natural movements of the body. Concepts discovered in this class include momentum, weight, spirals, undercurves, and finding the fun in being off balance!

Creative Movement - Beginner and Junior dancers will learn basic contemporary technique through the use of improvisation and imagination.

Hip Hop - Callin' all B-boys and B-girls! Learn some cool new moves while dancin' to hip beats. This class works on using levels, isolations and major attitude!

Jazz - This is a total body workout, focusing on posture and coordination. Dancers will learn current moves to popular, and throwback music!

Lyrical - This is a beautiful class that combines jazz and ballet techniques to emot to the lyrics of a song.

Musical Theatre - Great for any aspiring performer! We learn basic singing techniques, and combined with acting and dancing skills.

Tap - Make music with your feet! A great class to improve coordination, rhythm and musicality!

Specialized Classes

Anatomy - Learn about the dancer's instrument. An overview of bones and muscles, and how they function.

Choreography - Instructors will create dances for our participants to perform at the end of the week!

Craft - Here's your chance to get creative; younger camps will have craft time as a chance to rest our bodies and minds!

Creation - ADA summer dance camp participants will create short dances and have the opportunity to perform them at the end of the week!

Design - Use your imagination and personal sense of style to design, draw, and colour your own costume.

Games - Dancing takes a lot of concentration, so we have incorporated games and stories to keep dancers interested, and avoid wearing them out!

Registration Information

Summer Dance has limited room available so register early to avoid disappointment. If numbers permit, dancers will be divided by age and level. Camps with smaller numbers will be combined as long as age and level are within reason.

Our schedule is built to fit your summer needs. You can sign up for individual classes, half days, full days, and full weeks. Special events will take place on Thursdays. Dance Shows will take place on Fridays at the time of pick up.

Camps run from 9:00 am - 4:00 pm. ADA reserves the right to alter schedules / locations to suit the participant's needs.

Children who require aides - The Alberta Dance Academy welcomes all children to participate in our summer camps. For children who require an aide at school/home will also require their aide to participate in our summer camp. Please inform the office at the time of registration.

Payment - Payment must be received in full at the time of registration.

Refund Policy - There will be a \$20 administrative fee for withdrawal from each ADA Summer Dance Camp. Refunds will only be given if withdrawal takes place more than one week prior to the camp start date. Refunds will not be given within one week of the camp, or after the camp has begun.

Registration/Waiver Form - The registration and waiver form must be completed in full and signed before any dancer may participate in ADA Summer Dance.
